Dear Rahul,

I am sorry to hear that you can not present us for GIT patent work due to the problem between Pennie and Stanford University. As discussed in our talk, it is very hard for us to find an appropriate attorney at this moment for the patent. Thus, please release all the documents to Dr. Neil Dey in GMR Epigenetics. We will pursue the patent work by ourselves first and then find a suitable attorney for the work in the future.

The documents for GIT will include two provisional patents and one utility patent:
1). Provisional patent No. 60/196,749 (your reference #10583-0004-888), 2). Provisional patent No. 60/214,148 (your reference #10583-005-999), and 3). Utility patent No. 09/643,128.

Please let me know by e-mail once you get all the documents ready. I will pick up at the front desk of your firm as usual. Thanks for your kind cooperation.

Best regards

Jifan Hu
